**About the System**

**Introduction**

As per The Gazette of India, Govt. has made it mandatory for Pharmacy, Chemist & Druggist to report the patient details who are taking prescribed TB medicine in specified format regularly to track all the cases and help them make India TB Free by 2025.

**Purpose**

The core purpose is to make the reporting system online and make it convenient for Pharmacy, Chemist & Druggist to submit data regularly and easier compilation.
